

# Petri Dash

## A 5k for Kids' Cancer Research

**When:**

**April 7, 2019**

**Where:**

**Homestead Elementary,  
Centennial, CO**

**Why:**

**To raise critically needed funds for  
children's cancer research!**

The **Petri Dash** is all about helping raise research dollars for kids with cancer. So new therapies and treatments can be discovered.

The Morgan Adams Foundation funds kids' cancer research. We actively raise money and awareness on behalf of children and young adults battling cancer. Working with leading researchers and physicians, we directly fund new and innovative ideas that will improve cancer treatment effectiveness and outcomes, survival rates, and quality of life while reducing the devastating side-effects current treatments have on our children.

**This race is funding HOPE from the petri dish to the cure.**

Since the first event in 2013, the Petri Dash (formerly Grace's Race) has raised over \$258,000 to benefit The Morgan Adams Foundation!
